

## Are you the next Design Lab fellow?

D4AHS fellows will be given the opportunities for leadership, will have the support of the Lab's network in developing their own design-thinking models and strategies, and will receive a permanent fellowship status with the Design Lab.

### CANDIDATES

Passionate change agents who:

- Have embraced design thinking in their practice
- Are actively using design thinking and liberating structures in their work
- Are leading this work within their own networks

### RECOGNITION

- Fellowship profile on D4AHS webpage
- Recognition package
- Project/subject support
- Opportunities for leadership

### SCOPE

- Pro-bono
- Have a project or subject to work on
- Meet on an ad hoc basis
- Will be given opportunities for leadership including:
  - teaching
  - running events and workshops
  - creating new products and services, and
  - publishing their findings

If you think you have what it takes to become a Design Lab Fellow contact us at [design.lab@ahs.ca](mailto:design.lab@ahs.ca)
